

About the trainer

- PhD from the University of Pennsylvania
- Research positions at A*STAR, the National University of Singapore, RIKEN, and Kyoto University

Dr Jeffrey Robens is Head of Community Engagement at Nature Portfolio and is the Lead Trainer for the Expert Trainer-led Nature Masterclasses—training workshops to improve publication output worldwide. He has strong scientific qualifications with 20 years of academic experience and numerous publications and awards. He received his PhD from the University of Pennsylvania and then worked at premier research institutes in Singapore and Japan. Since leaving academia in 2012, he has conducted over 600 days of academic training workshops worldwide to help researchers improve their publication quality and impact.
